

## Parents' Evaluation of Development Status

Top simple questions can help

What if my child's Personal Health Record does not have the PEDS questions in it?

[Redacted content]

The Parents' Evaluation of Developmental Status (PEDS) is included in the Personal Health Record (also known as the 'red book') provided to the parents of every newborn in Queensland. The PEDS is designed to pick up developmental

Health Record will not have the PEDs included. In this case, child health nurses and Indigenous health workers can provide you with a PEDS response form that you can add to your child's record.

What is child development?
